

Dear Valued Distributor,

We would like to send out a quick notification to all of our distributors, reminding them of the price increase on our blades. We have recently sent out a letter as well as a prior email outlying the price increase on our blades and would just like to do a quick email broadcast as a courtesy to you. We would also like to remind you that there will be no price increase for the AS170 itself, only the blades are affected. Please forward this email to all relevant sales and admin staff so that new pricing can be loaded into your system ready for the January 15, 2012 change.

Best regards,

Henry Schweitzer  
National Sales Manager
