This document does not constitute sign off or approval of the installation of DuPont™ Weatherization Products, but rather records only that all necessary DuPont Products were used on the portion observed, which entitles you to qualification under the DuPont 10 Year Limited Warranty, subject to your meeting all other terms and conditions of the Warranty. Please understand that you must still meet all other warranty terms and conditions. Furthermore, this document confirms only that the portion of the Project observed on the date hereof by DuPont or by the DuPont™ Tyvek® Specialist had used on it all applicable DuPont Products. This Observation Record does not confirm that installation meets all warranty conditions. The terms of the Warranty shall govern its applicability and supersedes any other document, including this form.
